Class

165 Officially Milk Recorded Cow of Jersey or Guernsey breed.

Cows must be officially recorded. Points are awarded for the measured solids production in the last two lactations of not more than 305 days which are completed before 1st April, 2010, and for calving interval.

All cows entered in these Classes must be identifiable. All eligible solids tests taken during the lactations of 305 days must be included with a minimum of 5 tests in each lactation. Milk Records Certificates will be required to be sent to the Society Secretary for all entries.

THE MIRELLA CHALLENGE CUP, presented by the late C.C. Langer, Esq., for the Winner. (\$40)

166 Officially Milk Recorded Cow (other than Jersey or Guernsey) Cows must be officially recorded. Points are awarded for the measured solids production in the last two lactations of not more than 305 days which are completed before 1st April, 2010, and for calving interval. All cows entered in these Classes must be identifiable. All eligible solids tests taken during the lactations of 305 days must be included with a minimum of 5 tests in each lactation. Milk Record Certificates will be required to be sent to the Society Secretary for all entries.

THE GLYNDE CHALLENGE CUP, presented by South East Farmers Ltd., for the Winner. (\$42)

Particulars of Milk and Butterfat records must be furnished by the Exhibitor, either by a Certificate of Milk Record, Cow record page and/or card, or other official statement (N.M.R.) showing lactation period for each animal entered.

These details must be lodged with the Secretary of the South of England Agricultural Society by not later than 1st April 2010, and Exhibitors must produce the correct certificate or page for two lactations of not more than 305 days, otherwise entry will be disqualified.

JUDGING AND SCALE OF POINTS. In each of Classes 165 and 166 the prizes will be awarded in accordance with the total number of points gained by each cow under the following scale:

- Measured solids 2 points per kg. of measured solids (fat + protein). Calving Interval 1 point to be added for every day under 380. 1 point to be deducted for every day over 380.
- Inspection Maximum inspection points to be awarded to the animal placed first, will be 50% of the highest production points in the class, disregarding bonus points, which will be added to the combined total of production and inspection points and all other placings to be pointed at the discretion of the Judge.

Final awards will be based on a combination of production and inspection points. (Note: Heifer lactations will be eligible, with no gain or loss of points for calving interval). Milk recorded entries milked three times a day will be subject to a 10% reduction in their production points.

The South East Jersey Club offers a **Special Outright Trophy** to the **Best Jersey.**

Important. Entries for this competition must be made by not later than 1st April 2010 and full details given on the Entry Form.

Objective. This unique competition is to identify cows with the best combined £ PLI value and conformation in relation to their breed type. **Animals £ PLI** value can be obtained from www.mdc.org.uk - & click on mdc-breeding+. and this must be sent with the Entry Form by 1st April, or supplied at the time of substitution, if applicable, along with their Cow Production Index.

Eligible Breeds. Cows may be of any dairy breed and must be registered with a Breed Society. First calved heifers will be accepted if included in the February 2010 ADC proof run.

Judging. Take the individual cow PLI (May 2010) to this figure using the latest cow production index figure, add any amount over 100 or subtract it below 100 to a maximum of 45 points.

Eligibility will require animals to be in the top 50% of their breed population for PLI, based upon the Animal Data Centre Feb 10 figures.

Class Placings. The Judge has between 25 to 100 points to use on his placing.
