

School Parties are welcome at the

on Thursday 10th and Friday 11th June.

- ☺ Visit the Knowledge Box to find out all about **Sustainable Methods of Farming** and join in the activities based on **biodiversity**
- ☺ **Take a guided tour around the Livestock area.**
- ☺ Have a go at milking Buttercup the **life-size cow.**

Meet the animals, watch the birds of prey fly, try fly-casting, find out where food comes from, go pond dipping, see the sheep shearers, blacksmiths, farriers, hurdle makers and others at work

Many areas of the curriculum can be enhanced by a visit:- Science, History, Design & Technology, Citizenship and Healthy Living. Discover more about sustainability, the environment, biodiversity and conservation issues.

To buy your tickets at special reduced rates complete the School/College Party ticket application form or for more information contact Karen Pritty, Education Development Officer on 01444 892700 or e-mail education@seas.org.uk
